RE: Freedom of Information/Privacy Act Request No. 2019USMS00207
Subject: Documents generated in compliance with EO 13587

Dear Emma Best,

The United States Marshals Service (USMS) is in receipt of your Freedom of Information/Privacy Act (FOIA/PA) request for documents that were generated in the process of the fulfillment of and compliance with Executive Order 13587, Structural Reforms to Improve Sharing and Safeguarding Classified Information on Computer Networks.

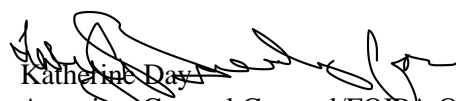

The FOIA requires that requests describe the records sought with sufficient detail to allow an agency employee familiar with the subject area of the request to locate the records with a reasonable amount of effort. Although your request describes the information you seek, upon discussion of this request with the office of responsibility, it was determined that your request does not adequately describe who and where the records search should be conducted, therefore, we are unable to process this request at this time. Your request is broad in nature and we seek clarification as to what specific search criteria you seek. Please specify the timeframe, date range that you desire for this search to be conducted, as well as whose records and the location in which you require records to be searched. See 5 U.S.C. § 552(a)(3)(A).

Please return the required information within 20 days of this letter to:

Tracy Broady, Government Information Specialist, United States Marshals Service, CG-3, 15th Floor, Washington, DC 20530-001 or via email to: Usms.Foia@usdoj.gov

Please include the above listed FOIA Request number so that we may locate this request and continue with processing. We will acknowledge your request upon receipt in this office and correspond with you again, accordingly.

Sincerely,

Katherine Day
Associate General Counsel/FOIPA Officer
